

“Ellijay’s Gathering Place”

The 1907 is a creative culmination of the past and present, in taste, décor, and experience. This compelling combination makes for a casual, upscale atmosphere and a destination must in historic Ellijay.

We offer seasonal, local, and regional ingredients along with warm hospitality, coming together for lunch and dinner. In addition to menu favorites, our culinary team artfully designs nightly attractions to highlight the seasonal offerings.

24 River Street, Ellijay, Georgia 30540
